This year we are introducing a new component to the show: a **printed Show Guide** that will be available for purchase at the entry tables.

The Show Guide will list each Layout or Vendor with contact information for follow up. It will include a map of the show locating each Layout and Vendor.

We request a description of your Layout: concept, size, scale, history, etc. Anything you would like to tell a spectator about your layout. Keeping in mind, of course, space will be limited and we reserve the right to edit. We also request contact information which will be included.
